Upon entering the new work that is assigned to our charge, of holding a Monthly Meeting of friends in Lawrence Mass: we realize an increase of responsibility not only as it may concern the Society we represent, But as others take notice of us, may they so take notice and regard the work accomplished as of the Lord, We do heartily desire that all our members may cooperate in this good work, in the liberty of the Gospel of Christ — ever regarding that although our weight of responsibility is increased, we can, and do move forward under the cheering influence of the Divine Holy Spirit and the precious gift of Charity emanating therefrom to cover all our engagements and exercises

Dear friends.—

No particular change is noticeable from what was reported at last quarter, in our religious situation. Most of our members attend the Meetings for Worship, on first day mornings, manifesting an interest in the services, and some taking part in the same. Mid-week meetings are not so well attended as we would desire. The ministry, as we humbly trust is sound and edifying. We desire to be in unity with one another and with the Meeting to which we belong, laboring together in the love of the gospel to strengthen believers in the Holy Faith, and for the conversion of sinners.

The Committee appointed in sixth month to confer with the Union Sunday School Society of Manchester N.H. in regards to purchasing the chapel which the Friends at Manchester now occupy, make the following statement:-

The Amoskeag Manufacturing Co. in 1891, deeded a piece of land to the Union Sunday School Society of Manchester for $750 (full value $1500) with the restriction that it should be used for a church edifice. The Union Sunday School Society put a chapel on this parcel of land, (Cost of chapel approximately $2.500) which the Manchester Meeting of Friends have rented for the past four years, for the purpose of holding religious services.

The Union Sunday School Society made known to Friends that they would like to deed the chapel and land to them providing they would accept the mortgage of $650 at 5 per cent which was attached, and also that the Friends would permit the Grange which organization was holding its meetings in the chapel to continue its meetings so long as the Amoskeag Mfg. Co. did not object and so long as its meetings were held in accordance with proper usage, or as heretofore in the chapel.

The Committee appointed from Monthly

Meeting (Donald Leitch, Joseph Batty, Herbert B Wood) met with the Committee from the Union Sunday School Society, and talked the matter over. They were very favorably impressed with the good wishes of the Union Sunday School Society in their offer.

It was found that the chapel was in need of repairs, but that the Friends at Manchester had secured enough pledges of money to remo the mortgage of $[illegible] with an additional amount towards repairs. It was also noted that Manchester Friends felt that there was a good field for Christian work in the vicinity of the chapel

The Monthly Meeting decided to accept the abo offer and a quit-claim deed was given from the Union Sunday School Society of Manchester to The Overseers of Lawrence Monthly Meeting of Frien

A letter is received at this time from Philadelphia Yearly Meeting of Friends regarding the two bills lately introduced into the Congress of the United States, (Senate bills 2691. and 2115). providing for the compulsory military training for all boys upon reaching the ages of 18 and 19. respectively.

They earnestly ask that all Friends both as Meetings and as individuals take upon themselves the burden of this concern, holding to the ancient testimony of the Religious Society of Friends that all war is un Christian, and in every way to be deplored, and that consequently all teaching or preparing for it, must be likewise wrong and un-Christian. They are preparing to cast their whole influence against these bills and desire that Friends in all of the United States will join in the same effort.

As a Monthly Meeting we are fully in accord with Philadelphia Yearly Meeting in their objection to, and their efforts to defeat these bills, and we appoint Harry Wilkinson and John E. A letter is received from the clerk of Manchester Meeting asking the Monthly Meeting to take action in restraining Batchelder Grange of Manchester from holding their meetings in the upper room of the Friends' Meeting House. This has been resorted at considerable expense to Manchester Friends, who desire to have the room used for religious purposes exclusively. After hearing the contract existing between Batchelder Grange and Lawrence Monthly Meeting read, it is decided that it cannot be as Manchester Friends suppose without violating the spirit and letter of the contract unless there were some improper changes of the rightful use or misuse of the room.

It is decided that the Clerk write to the

Clerk of Manchester Meeting, suggesting that a [illegible] or a Committee be appointed from that Meeting to confer with the Grange, to see if they could find some satisfactory and friendly way of settling the difficulty, and for Manchester to report at the next Meeting when further action can be taken if necessary.

The memorial to Zilla Binns.

Zilla Binns, a beloved member of Lawrence Monthly Meeting, passed on to her reward, Seventh month, 24th 1927 It was a Sabbath morning just at the time she would have been going to the Meeting for Worship, that she slipped away to meet her Master, and it was her desire that it should be this way.

We realize our great loss, and wish to record our appreciation of her loving faithfulness and untiring zeal in service for her Saviour in the Society of Friends and in the community where she lived. Her life centered in Lawrence Meeting of Friends, in which she was an Elder, and there are many who have gone from this Meeting to other parts of our country, realizing the uplifting influence she had on their lives, and also that she remembered them in communion with her Heavenly Father

She was born in Yorkshire, England in 1848 and came to this country in early womanhood with her husband, Hezekiah Binns, who had been associated with Friends in England. Together they arranged for the first Meeting of Friends in Lawrence in their home, and soon the Meeting grew and became a part of Salem Quarterly Meeting.

Her husband died before Lawrence Meeting had been long established, yet she continued to fill her place in the Meeting, and many have reason to thank our Heavenly Father, for her service in the Meeting and the Sunday School. Verily, she hath done what she could, and has done it well

In later years, when she was unable to take active part in the Meetings because of illness, the power of her prayer life was felt, and her presence in the Meetings when she could attend, seemed to keep us closer to our Lord and Master.

Now she has passed on to the higher life, the question comes to each one of us, "What shall we do, how can we make up for such a life?"
Her greatest desire would be, that we take up the work that she has left, believing that our

Heavenly Father knoweth best, and will provide if we are faithfull

The influence of a life like that of Zilla Binns lives on and on, and leads us to say with Whittier:

"O Lord and Master of us all
Whate'er our name or sign.
We own thy sway, we hear thy call;
We test our lives by thine.

We desire at this time also to record with sorrow the names of those of our members who have passed on to their reward, the memory of the loving faithfulness and cooperation of whom, still remain fresh in our minds

Our dear friend Clara B Hill passed away in 1924 our dear friends Susan Crossley, Mary Barnes and Emma Wood (a member of Providence R. I. Meeting but an attender of Lawrence Monthly Meeting for a number of years) in 1925, Hannah Crossley and Mary Hemingway in 1926, and we just now sorrow in the loss of our dear friend Elizabeth Hill.

We also desire to make loving mention of our dear friends Mary A Chase of Manchester Meeting, and Alice C. Winslow, who have both passed to their reward during the past year.

Mary A Chase was one of the founders of Manchester Meeting, and laboured many years in loving service for the Meeting.

Alice C Winslow was a minister of North Weare, N H Meeting. She also spent many years in acceptable service in Manchester Meeting.

We miss the association and fellowship with these dear friends, but are confident they have gone to the place prepared for them by our Lord Jesus Christ. We live in and are encouraged by the assurance that if we remain faithful, we shall all meet again, where death has no power and friends never part

We commend the families of these friends to Him, who only is able to bind up and soothe the wounds of this life and overcome all our difficulties.

May we each one be faithful.
